Italy 2023

ARE YOU READY TO BE AUDIENCE AND ORCHESTRA IN THE CRAZIEST CONCERT OF ALL TIMES?

SYNOPSIS

A percussionist.

A tap dancer.

An orchestra conductor.

Mix those 3 together, shake it with energy and you will get..

Mr. Ritmo!

An eccentric character who lives in a world made of percussive sounds

The special combination of live music and physical theatre make this show original and universal.

DOMENICO CIANO

With a strong background in drums and percussion, Domenico met the world of physical theatre in 2016 at Performing Art University, run by Philip Radice in Torino. Here, besides all basic theatre subjects, he started a deep study of tap dance and body percussion.

After this learning process he began to combine sound and interaction, music and comedy, bringing his performances to a whole new level. This is how Mr. Ritmo was born

ARTISTIC SHEET

Idea and conception
of the show:
Domenico Ciano

Directed by:
Domenico Ciano

External eye:
Giuseppe Vetti

Production:
Cooperativa Italiana Artisti
(CITA)
Atelier Teatro Fisico
